

CAFI Arizona Business Finance

Capital Active Funding-Phoenix, Inc. (“CAFI Arizona”) is an Asset-Based Lender that funds progress invoices for work that is completed and approved for payment. We qualify our customers on the credit worthiness of the company that they are contracted by, not by their financial statements!

CAFI Arizona was organized to support Primary Commercial Construction and Service Contractors and Subcontractors with their cash flow while they wait to be paid by their respective General Contractor, the Government entity or the owner they are contracted by.
